

# Hospital Routine for Alivizatos Patients

Upon arrival every day each patient must stop and sign in at the front desk.

Each Monday is a fasting day for all patients and you should not eat or drink anything but water. You should take medications as prescribed, with water only.

## **Breakfast:**

Complimentary breakfast is served every morning in dining room for the patient

and

companion only. Please buy a \$ 4.00 ticket from business office for any extra persons or additional orders. Eggs prepared in the kitchen are \$ 1.00 each and are prepared pouched, scrambled, Mexican style or huevos rancheros.

## **Lunch:**

If your stay at the hospital runs into the afternoon, lunch is served from 12:30 P.M. to 2:00 P.M. Please buy a \$5.00 ticket from business office. Menu is different every day dinner is also \$5.00 and served from 5:30 P.M. to 6:30 P.M

## **Doctor Visit:**

On the first day doctors will spend a

moment

of introduction with new patients before entering treatment room.

Second day, the doctor will see you after breakfast for test results and or complete physical consultation , background history, etc.

Each week thereafter, the doctor will visit with you either on Tuesday, Wednesday or Thursday for test results, questions and follow-up care. It is

advised , you keep a list of questions you need answered at these weekly visits.

At any time you are unfamiliar with any procedure or need an extra doctor

visit, the coordinator is available to help you.
