

WELCOME TO THE ALIVIZATOS PROGRAM

We're very happy that you are here! Please wear the enclosed nametag to the hospital your first couple of days so that our staff can better serve you and your companion.

Patient Coordinators at the hospital will be ready to greet you and help with all your needs when you arrive at the hospital. Please fill out the registration forms and take them to the hospital with you, as well as the Insurance Releases so the hospital can bill your insurance. Depending on where you are staying the vans leave each morning from the front office. Please check for the exact time with the front desk. Please do not wear perfume or perfumed after-shave when riding in the vans as some patients, due to their medication, experience adverse reactions.

The procedure in the Hospital Dining Room for breakfast is that all patients and companions must pick up their courtesy tickets from the business office and turn in a meal ticket to the servers everyday. Each Alivizatos patient and one companion are entitled to buffet breakfast. All others can buy a \$4.00 ticket for breakfast. Lunch & Dinner are \$5.00

We encourage companions to accompany patients to the hospital. It is important that the treatment room be as relaxing and quiet as possible during the patients' treatment time.

**PLEASE,
NO EATING OR DRINKING IN THE OUTPATIENT TREATMENT AREA.
THANK-YOU.**

REST, RELAX AND RENEW...

**If you are interested in taking home extra information or having
Brochures & DVD's mailed to anyone while you're here please let us know!**
